

# Rider's Relay

APRIL 2016

## Director's Message

What a fantastic way to spend a portion of the Easter weekend...hosting a Washington State Championship Show Benefit in Spokane! We had two new families to WSH join at the show as well as two new youth members. Welcome Harris Family, Nesbitt Family, MacKenzie Beier, and Madison Walker! We had several non-members join us for the day as well and we appreciate their support of the WSCS through their rides. The one-day show had 432 rides and 64 riders. The show generated approximately \$1,200.00 that will be applied to this year's WSCS awards. A big "thank you" to those that helped in the arena, at the gates, with the donation table, and to those that helped clean-up the grounds. As a reminder to our riders...when we attend events please be courteous in cleaning up at the end of the event. The rule of thumb should ALWAYS be that the area in which you were parked looks as good (or better) than when you drove in. Pick up manure, pick up any remaining feed, pick up any garbage, and fill in any holes. Those that put on the shows already have enough on their plates with bookwork, finances, etc. that they should not have to clean-up after riders that did not take the time to tidy their areas. Remember...your show chairs do NOT get paid to host these events and we would like them to continue to WANT to put on shows for us so please, riders, do your part!

Our State Show is in Cashmere again August 26-28. Please begin working on sponsors for this year's event. This is how we are able to continue to give the amazing awards we do each year. The sponsorship forms are available on the newly updated WSH website at [www.WashingtonStateHorsemen.org](http://www.WashingtonStateHorsemen.org). Show approval forms and the 2016 WSHGD rulebook are also located online.

I'm sending out another plea to our riders...please become an official (First Timer and/or Judge). We really need to spread this responsibility out across our riders so that everyone can have enjoyable weekends. On both of sides of the State (and in the middle)...we have the same few people officiating and we are beginning to see burn out. If we don't lighten their loads, we're going to become really short on officials when they finally say "enough". To start the journey of becoming an official, e-mail [wshgd2007@yahoo.com](mailto:wshgd2007@yahoo.com) and request this year's test. Thank you in advance for your help this year!

We have show dates in for North Central, Northeast, and Puget Sound again this year. Although PSZ only has one date thus far...they hope to pick up additional dates as facilities become available. Thank you to the clubs and show chairs for putting these events together for our riders! It looks to be another exciting year in WSHGD! Continue to watch the WSHGD Facebook page for more information on upcoming events and the WSCS. If you have any questions on rules or anything please contact me at [stockmansaddlery@aol.com](mailto:stockmansaddlery@aol.com). That's it for now...happy riding -- Melissa Stockman.

## Facebook / Member Spotlight Monday

Were you able to catch February's Member Spotlight Mondays on our Facebook page? On February 15, we featured **MARCI LOSHBAUGH**.

Marcie is a member of the Northeast Zone. She was born and raised in Deer Park, WA and attended Deer Park schools Kindergarten through 12th Grade. She states that she was "lucky enough to have been raised with horses all my life." Her sister, Shelley, has been a big influence on her riding ability. The girls were always going to horse shows and attended the local fairs. After High School, Marcie traveled to Tucson AZ to do an apprenticeship at Al-Marah Arabians. There she learned how to break colts and all the basics of big show life. Marcie states that her thrill at the ranch was meeting Michael Landon and having the opportunity to ride a few horses

for him. She states that she quickly learned that family was where she needed to be so she traveled back to Deer Park. After receiving her Associate's Degree, Marcie went to work in the medical field and eventually ended up at Northwest Orthopedics where she has worked for almost 19 years. Marcie also helps her other half, Bob Reilly, at a convenience store in Deer Park...Bob-Mart. Marcie owns 3 horses; Tanner is her 26-year-old mustang, Koda is her 9-year-old buckskin mare that she games on, and Tucker is her 3-year-old paint that she is hoping to show and rein on. Outside of horses, Marcie enjoys spending time at the lake knee-boarding and spending time with her daughter Tabetha and Grandson Baylor.

On March 7<sup>th</sup>, we featured **TRACY CROTSLEY**. Tracy was born and raised in Ephrata WA and is a current member of the North Central Zone. She grew up on a row crop farm built from the ground up by her Dad. She states that she has always had a love for horses; riding any and every horse anyone would let her. She only had her own horse growing up for about a year in the 7<sup>th</sup> Grade, a POA Appaloosa named Penny. She spent summers in Ferndale, WA at my grandparents and had the opportunity to ride the polo ponies or the neighbor's horses. Tracy is married to her best friend, Jake. She adds that by keeping Christ at the center of their marriage, it only keeps getting better. Tracy has two children from her 1<sup>st</sup> marriage; Dalton 13 and Hannah 10. Dalton enjoys motorcycles and 4-wheelers while Hannah wants to start gaming with her mom this year. Tracy has been a hairstylist for 24 years.

Outside of WSHGD, she enjoys time with family, friends and just being a home-body. She enjoys scrapbooking, painting, and making barn wood signs. She loves hanging out at the lake with friends. She is the horse leader for their 4H Club. She has been involved in WSH for three years and is the 2016/7 Director at Large for Position #1, WSHGD Rules Committee Alternate, and NCZ Games Chair. Her trusted steed is named Chance and she states that they are "getting better with every run." His name is appropriate because when she bought him 4 years ago, she almost took him back because he was a "freak". After love and riding, he is safe and bomb proof. She states that her goal is to "win at least one saddle in my horse career" before she is too old to ride.

## 2015 Permanent Number Registration

Writable PDF forms are available on the WSH Website ([WashingtonStateHorsemen.org](http://WashingtonStateHorsemen.org)) under Games Division's Forms and Downloads. All riders must register (or re-register) their numbers prior to competing. If you are a member of any of the zones listed below, one copy of the form must go to the Zone Times Keeper listed and one copy of the form must be sent to the State Times Keeper. If you are not a member of NC, NE, or PSZ...send only to Glenna Eilers.

**Northeast** (R Numbers) – Sharon Kelsey at [parnellivestock@aol.com](mailto:parnellivestock@aol.com)

**Puget Sound** (K Numbers) – Cameron Backer at [crbacker@comcast.net](mailto:crbacker@comcast.net)

## Washington State Championship Show

Director Melissa Stockman announced at the 2015 WSH Convention that the Washington State Championship Show will be held at the Chelan County Fairgrounds in Cashmere WA on August 26-28. This year's colors are Teal, Pink, and Silver. Melissa Stockman is working with associated cause groups (i.e. Breast Cancer Awareness for pink) so that further emphasis can be made on helping our communities. As it is 2016, a theme of "Sweet Sixteen" has been tossed around. Give us your thoughts on our Facebook page!

Director Melissa Stockman is always looking for volunteers to help with every aspect of the show. If you are willing to assist on this year's WSCS Committee (in any capacity), please let Melissa know at [stockmansaddlery@aol.com](mailto:stockmansaddlery@aol.com). Here are some of the areas that help is needed in...and your help is needed.

- Program (typing up and taking it to the printer).
- Parking (being on site early to help place trailers and "houses" so that we can utilize the campground and parking area to its optimal use).
- Silent Auction (setting up the silent auction area, collecting the sheets when done, collecting payment).
- Judges / Timers – Jessie McLaughlin will assist in coordinating this year's officials. If you are able to assist as an official for the WSCS, please let us know by sending an e-mail to [wshgd2007@yahoo.com](mailto:wshgd2007@yahoo.com).
- Welcome Bags (sending out information to past supporters, seeking new supporters, and coordinating the filling of the bags Thursday at WSCS).
- Golfing – This was super fun in 2015 at the Mt. Cashmere Golf Course. This event is held on Friday morning so if you are interested in playing, let us know ahead so that we can be sure to have enough

tee times.

- Stall Cards – we've had some super fun "stall cards" over the past few years. Once a theme is finalized, we'd love to have someone offer to help with this task. Let's make this year's super creative!
- State Championship Plaques – a big "thank you" to the Deer Park High School wood shop students who have been so wonderful to cut out the plaques for us the past couple of years. If they agree to do it again this year, they will still be in need of being stained (with a little bit of sanding also needed).
- Arena Worker Cards – each rider is assigned to help throughout the weekend and thus the person taking on this role will take the rider list (prior to WSCS) and create cards to distribute to the riders at the Rider's Meeting held on Friday.

North Central Zone and the Desert Duellers Club are working together on promotion of their area. Together, they ordered key chains and give them out to those that join the zone and/or club. They are also working together to put on a prize ride this year and a quilt raffle.

**NORTHEAST** – Northeast Zone is looking to start a great season with their next show on April 9-10 hosted by North Country Riders at Triple Creek Ranch in Deer Park. We are hoping to see lots of faces out with the weather being so wonderful! We held our last meeting on March 23<sup>rd</sup>. We also attended the Spokane County 4-H tack swap getting our faces out there and passing out flyers and Canters. We had lots of fun and met quite a few new faces. NEZGD will be hosting another meeting in June, time and place still to be determined. Riders are reminded that they must attend one NEZ Games Division meeting each year to qualify for zone awards.

**PUGET SOUND** – Jennifer Recco states, “I will be submitting show approvals for June 5 and July 16 shows. June 5 will make the June 4 /5 a two-day weekend show. Circle C Riders and the PSZ are off to a good start. CCR had a couple of show planning meetings and are on our way to putting on fun shows. Our goal this year is to provide opportunities for any WSH gamer on the West Side to qualify to go to the championship show in August. We are encouraging our membership to actively pursue becoming officials as they are always in short supply. Several have tests in hand and we are hopeful. Our show dates are June 4/5 with trophies and awards going to age group high point winners over the two days. Our July 16 show will be located south of Pierce County in an effort to show other areas how much fun WSH gaming is. Wish us luck and see you in the arena!”
