Welcome to the Washington State Horsemen's Western Games Division. It is the duty of everyone to encourage Washington State Horsemen Shows, upgrade the standard of shows, handle horses in a manner which brings credit to the Division, and encourage western attire. All persons riding or working in W.S.H. Western Games Shows should acquire a new rule book as even the smallest change or clarification is important. (Paragraph revised 2013).

GENERAL INFORMATION

BAD DEBTS: Any member who has been duly notified by Certified, Return Receipt letter from the State Office of the Western Games Division that they have incurred a bad debt to a WSH affiliated club or to the WSHGD head office, after a thirty-day grace period, shall be barred from having their times count from date of notice until past debts, along with any applicable bank fees, are paid in cash or by money order. Members submitting checks for payment without sufficient funds being available in their accounts on two separate occasions will be placed on a "cash only" basis with WSHGD (Paragraph revised 2015).

CONTESTANT NUMBERS: Permanent Zone prefix letters designating horse and rider combinations shall be as listed below. In the case of Cowhide Race and Rescue Race, the mounted rider must have a permanent number registered on the horse (Sentence added 2016). Zones cannot charge a fee for State permanent numbers. Those zone numbers that are used each year may not be given out to another rider regardless of zone rules. Each zone games chair (or their designate) shall send a list of assigned permanent numbers to the State Times Keeper by July 1, annually. Riders residing in a Zone without an active Zone Games Chair must verify permanent numbers in writing with current year W.S.H. membership number to State Times Keeper by July 1 (or immediately following the first show they compete at if after July 1).

All day numbers also include rider's zone identification. The zone letter would follow the day letter (example: DC03 or DR50). Total number of characters permitted for a day number is four, thus "D", then zone prefix, then maximum of two numerical digits (01 to 99). All W.S.H. member riders shall have permanent numbers on all horses they ride more than three times during the show season. For times ridden under a day number to be included in the 5-time (individual) and 3-time (2-man or 4-man team) year-end average, written notification must be sent to the State Times Keeper and include the date, show sponsor, class, and day number by July 15th of current year. Any rider going on course without a visible, legible and correct number on their horse or on their person will receive a mandatory warning for the first offense and a no time thereafter (See Disqualifications #14).

PERMANENT ZONE PREFIXES

T – Canal Zone	Y - Olympic Peninsula Zone
C - Cascade Zone	F – Prairie Zone
W - North Central Zone	K – Puget Sound Zone
R - Northeast Zone	N – South Central Zone
H - Northwest Border Zone	M – Zone One

DIVISION MEETINGS: An annual meeting of the Division is to be held Saturday morning of Washington State Horsemen Convention weekend for the purpose of establishing operating procedures and enacting rule changes for the new year. Convention minutes are to be prepared by February 1st of the following year and available to all W.S.H. members. Minutes are to be uniform with heading of paragraph and section that it refers to. The W.S.H. Western Games Division will pay for standard rooms at W.S.H. Convention for two nights for the following: Director, Secretary, and the Treasurer.

The **ABCD** classification proposals will be the first order of business at the general meeting of the Western Games Division. Voting is to be conducted under the regular business rules. The purpose of these proposals will be to reconstruct times for the ABCD classification. ABCD proposals must be submitted to the Director's office in motion form only, prior to September 10 of each year for publication in the Canter.

INTOXICATION: Riders can be immediately disqualified from any further competition at a show if they are obnoxiously intoxicated, under the influence of illegal drugs, or found to be drinking alcoholic beverages outside of their camp. Any person under the age of 21 found to be drinking alcoholic beverages or under the influence of drugs will be immediately disqualified from any further competition at that show. A committee will be appointed to handle any problems at invitational events. While officiating or participating in the arena there will be no consumption of alcohol or smoking. (Sentence added 2013).

MEMBERSHIP IN W.S.H.: Riders must belong to W.S.H. prior to competing to receive awards, classification, and records. Members may join individually or as a family either through a 100% W.S.H. Club, affiliated WSH Club, or by sending the dues directly to the W.S.H. Office and joining as a non-club member. In order for times to count, a member may pay their WSH dues and submit a completed application to show management prior to riding at a show. Show management must then contact the WSH Office to obtain a temporary membership number and send the dues to the WSH Office within 48 hours of show completion.

OFFICERS: There shall be a Director, two Vice Directors (one from the east side of the Cascade Mountains and one from the west side), Secretary, Treasurer, Times Keeper, Junior Riders Representative, and Rules Committee Members (three and one alternate). The Director and Rules Committee Alternate will be elected at Convention. All remaining officers will be appointed by the newly elected Director. A Board of Directors shall act as the governing body for the Western Games Division. The Board to consist of Director, Vice Directors, Secretary, Treasurer, Times Keeper, Junior Riders Representative, Rules Committee Chair and a representative from each zone with active games members. No Board positions shall be held jointly by one person, in any combination thereof (i.e. Director / Treasurer). If a Board position becomes vacant, the Director shall appoint new Board members from time to time as necessary for the remainder of the appointed time. It is suggested that the outgoing Director make an outline concerning the running of the Directorship.

PROFANITY: It is recommended that show management consider excessive profanity anywhere in the vicinity of the arena, to be grounds for ejection from the show for that day. "Vicinity" is to be defined as being audible in the arena.

PROTESTS:

1. Any member wishing to file a protest must do so within 48 hours by filing a written description of the circumstances accompanied by a \$25.00 deposit with the Director. If the Committee rules in favor of the protestor, the protestor shall be returned the \$25.00 deposit and all times and runs pertaining to the protest shall be accepted and recorded by the Division. If the Committee rules against the protestor the deposit shall be forfeited to the State. The Steward may make a protest through the Steward's report with no charge.

5. All Rules Committee decisions will be ruled on by the entire Committee and all final decisions will be published in the *Canter*.
6. All concerned parties will be notified of the Rules Committee's decision and any protests of this decision must be made within 48 hours of receiving this decision, to the Western Games Division Board of Directors.

RULE AND OPERATION CHANGES: In order to make a rule change, it must be submitted to the Director's office in motion form with proponents' signatures attached, prior to September 10 of each year for publication in the *Canter* and/or *Games Newsletter*. Person or persons submitting the proposal must be present at W.S.H. Convention before proposal will be considered by the division membership. Each zone will be allowed one proposal from the floor of the division's general meeting. Proposals from the floor must pass by at least 75%, published proposals must pass by a majority. Published proposals, as well as proposals from the floor, will be considered and ruled on by the division membership at the annual meeting, then presented to W.S.H. General Convention Meeting for ratification, to become effective January 1st of the next year.

RULE CLARIFICATIONS:

1. For rule clarifications, members must contact the Games Division Director who will then contact the Rules Committee members.

The Rules Committee shall consist of three knowledgeable W.S.H. Western Games Division Judges and an alternate. The Rules Committee alternate to be voted in each year at the Games Division Meeting by the voting membership. No member shall serve more than four consecutive years. Should a vacancy occur, the Director shall appoint a replacement to fill the unexpired portion of the term.

SHOW SEASON: The WSH Games Division season runs August 1 to July 31 each year. If August 1 is a Sunday, it will be included with the current show season as the last day of the season.

To clarify, a horse may be ridden by multiple people in the same class at the Washington State Championship Show if said horse is qualified by each of the individuals. Additionally, a rider may ride more than one horse even if both horses are classified in the same class. (Sentence added 2013). The mounting rider in Rescue Race, the mounting rider in Cowhide Race, and Bareback Relay riders may only ride with one team. Junior, Intermediate, Senior A, Senior B, Super Senior A, Super Senior B and ABCD classified events are considered separate events. Classified horses cannot enter below their classification.

Multiple events may be set up in the arena at one time. Event properties, including poles, barrels, and flag containers may not be in the upright position on any pre-measured course. A Steward must verify measurements prior to any runs being made. A solid white line dividing the length of the arena must be used when two or more lanes are being run (Sentence Revised 2016).

SECTION 7 (TIES). It shall be optional to the riders to flip a coin or accept a runoff. In breaking the tie, the loser takes the next lower position. In the event of a disagreement, the decision shall be left to the judge. If both riders are disqualified on their runoff, the fastest no time wins.

Riders having to rerun will be given up to two runs or until they have had two (2) No Times. In the event that a rider had a no time in the initial run, should they also get a No time in their second run, they would be considered a no time. A rider that had a clean run initially shall be given a subsequent ride if they happen to No Time their second run (Paragraph revised November 2016).

All four-man teams must have at least one permanent member, all others maybe substitutes. The first qualified ride of the season in each team event establishes the team.

ABCD CLASSIFICATION RULES

1. Classification will be assigned to a horse on the basis of the horse's three fastest times set since August 1, 1968 at W.S.H. Western Games Division approved shows. If a horse is ridden by more than one rider, all times run will be used towards horse's classification and all of the horse's riders will then be classified the same regardless of age or ability with the exception of Buckaroo riders who may continue to compete in Buckaroo (2nd Sentence added November 2016).
2. Buckaroo Riders aging into Juniors will immediately begin riding the horse's current classification (if classified earlier by another rider). If the horse has never been ridden by an older rider, the first clean run in each event will determine the horse's classification for the new junior rider.
3. Horse will have to run three times in a faster time classification before reclassification upward will occur. Horses shall move up for the next show.
4. Zones shall issue wallet-sized cards stating horse's classification in each event. When a horse's classification is upward in any event, a new card will be issued. To be dropped from present classification to the next lower class (example: A to B, B to C, C to D) will require 5 consecutive times slower (excluding times with penalties) than the present classification.
5. An unknown or unclassified member horse appearing at a show will be placed in the appropriate ABCD category for the next show according to the first qualifying time run in each event and will remain in that category until reclassification occurs. Horse shall retain any awards won at the first show.
6. Out of state horses shall retain their current ABCD classifications when entering a W.S.H. Western Games Division approved show.
7. Non-W.S.H. riders may ride in the ABCD Jackpot classified events with a "X" number and may not compete for year end awards or five-time averages, but may ride for day awards in all classes. Non-Classified "X" riders will be placed in the appropriate ABCD class based on the time of their run and placed accordingly. Show management will pay the Western Games Division per rider fee for all non-W.S.H. riders.
8. Classified horses may compete in any higher classification but may not ride down in class. All times will count toward reclassification. Any horse found to be illegally entered in a class shall lose all times in that event for that day.
9. Times earned at closed or restricted shows (i.e. Washington State Championship Show) will be used for reclassification.
10. The same horse/rider combination may appear only once in the same event. Same horse or rider may appear multiple times in an event, including at the Washington State Championship Show. To clarify, a horse may be ridden by multiple people in the same class at the Washington State Championship Show if said horse is qualified by each of the individuals. The mounting rider in Rescue Race, the mounting rider in Cowhide Race, and Bareback Relay riders may only ride with one team. Junior, Intermediate, Senior A, Senior B, Super Senior A, Super Senior B and ABCD classified events are considered separate events. Classified horses cannot enter below their classification.
11. Show management will offer a Jackpot Open Class for all individual events and optional for all team (2 man and 4 man events) at any W.S.H. approved show. Entry fee will be a minimum of \$5.00. State and Zone to receive same cents per ride as in ABCD classes. Times run in this class will count for classifications and 5-time (individual) and 3-time (2-man and 4-man team) average.

TEXAS BARRELS - INDIVIDUAL

COURSE: Three barrels shall be placed in a triangular formation. No.1 and No.2 barrels are set 33 feet from the start / finish line, and 60 feet apart. No.3 barrel is set 80 feet from No.1 and No.2 barrels. The start / finish line shall be 60 feet in length.

Approval Fee: \$15.00 per day plus 60 cents per ride, including non-members, in all Western Games Division approved events. Out of the 60 cents per ride, 25 cents will be allotted for Washington State Championship Show Awards. Distribution of these funds will be determined by the Washington State Championship Show Committee. The 60 cents per ride fee shall apply to both members, non-members and jackpot rides.

Entry Fee: A show's entry fees must be the same for all events and riders with the exception of the two instances below. Special fees / discounted rates for sponsoring club members shall be cause for disallowing said club member's times.

- Exception 2: A show sponsor that has co-sanctioned the event, may assess an additional fee to only those desiring times to be recorded for the other organization. The customary per ride charge to the State and Zone for all rides made must be remitted as well as required per ride charges to the other organization, if applicable. To clarify, those riders at a co-sanctioned event that only want their times to count for WSHGD would not be required to pay any additional fees to another organization

How: Beginning December 1, Show Chairs may submit show approval forms to the WSHGD Secretary for the next calendar year. Show Chairs will note which Zone they are seeking approval for on the application. Zone Approval will be automatically granted for the Zone listed. The Secretary will timely notify the sponsor if a show date is not approved. Dates will be approved on a first-come, first-serve basis. Club will receive a show packet from the WSHGD Secretary. (Revised 2014)

Show sponsors are encouraged to develop a show season calendar of dates for publication in the Canter and/or Games Newsletter in an effort to keep members informed. Date: Open, no other shows will be approved for the same weekend as this show.

Qualification: Based on an average of five (5) best times for individual events and three (3) best times for 2-man and 4-man events (one of the times from an alternate / second arena) during the current season. For times ridden under a day number to be included in the 5-time (individual) and 3-time (team) year-end average, written notifications must be sent to the State Times Keeper and include the date, show, sponsor, class, and day number by July 15 of current year. There will be one (1) run at Washington State Championship Show per event. Riders do not have to show WSH card prior to riding at the Washington State Championship Show. Additionally, every family membership or individual is required to obtain at least the equivalent to a quarter page ad in the form of ads, cash, or merchandise – items due by July 31. (Revised 2013).

Invitations: No invitations will be required. Every member who meets criteria under “qualification” paragraph is automatically invited to the Washington State Championship Show (WSCS). Members who wish to attend must submit their entry form to the Washington State Championship Show Committee no later than August 1.

Members must compete in the classification earned (i.e. “A” barrels, “B” flags, etc.). Members may compete on more than one horse in any event and/or classification. The fastest time in each event will place rider/riders as “State Champions”. Prizes and awards together with fundraising, grand entry criteria, special youth programs, potlucks, program publishing, date, time, place and all other details in connection with the WSCS will be discussed and decided by the Washington State Championship Show Committee. The Committee will inform the members of show details no later than June 1.

Entry Fees: An entry fee determined by the WSCS Committee will be assessed.

Show Management: The WSCS Committee must return within forty-eight (48) hours arena sheets and records. Sheets and records must be sent first class mail to the State Times Keeper.

There will be no riding double at Grand entry at the Washington State Championship Show.

Any event not filling to at least twelve riders or twelve teams (depending on the event) will still be run but that event will come up on the W.S.H. Convention Western Games Division Meeting floor automatically the following Convention to see if the unfilled events should be voted out of the Western Games Division Awards System. Duplication of riders or horses in individual events or team events cannot be used to fill the required number. In 1997, Cowhide was made a historical lifetime event and thus exempt from being voted out of the WSHGD whether or not the class filled. In 2010, Bareback Relay, Rescue Race, Team Baton, Team Flags, and Team Poles were added to the exemption list.

Awards: WSCS awards are to be handed out by the WSCS Committee. A State Championship plaque or belt buckle will be awarded in each event to the individual or team with the fastest time. First place awards and recognition to the next five (5) places in each classification (A, B, C, D, Buckaroo, and Leadline) will be given in each event. Ties will be honored in all six (6) placings. No reruns or flip of a coin to determine placings. Awards will be given out at the show or at the WSH Convention. All proceeds from the arena entry fees, sponsorships for events, and WSH Games Division ride fee allocations will be remitted into awards. The only exception will be for small administrative costs as determined appropriate by the WSCS Committee Chair. A small amount will be carried over to the next year.
