

2019-2020 Trails & Pleasure Division General Rulebook

Welcome to the Trails & Pleasure Division of Washington State Horsemen!

This division is comprised of a group of horsemen that find owning a horse a pleasure and riding them a relaxing hobby. Safety is stressed on the trails, in the arena, at the beach, or just in your own back yard. Humans and horses need to be careful. We try to keep up on trail conditions as the information becomes available.

Each year, our members pay a fee and submit their number of hours ridden. It is a friendly competition between horsemen. This riding information is used by different agencies to track trail use by horsemen. To the rider, it is just fun to see how many hours they ride / drive / lead in a year.

All riding counts including arena, pleasure, and trail. Please note that only your actual riding / in-hand / driving times count. Travel time, grooming, tacking up times do not count and lunging times only count for the in-hand division. Any time spent in actual competition (being judged or timed) does not count, nor does any time spent riding / in-hand / driving for which you receive payment. If you have any questions, please feel free to contact the Trails and Pleasure Director via the contact information given below.
