2018 Trails and Pleasure Sponsorship Letter

We are a Division within Washington State Horseman whose goal is to promote the enjoyment of horses and interest of Pleasure Riding, Driving, or In-Hand and other horse related activities. This organization is made up of individuals and families that enjoy horses and want to own, promote, and develop the training of horses as well as participate in activities that include horses.

The WSH Trails and Pleasure is an division where the entire family can participate together, regardless of breed of horse or skill level. Many of our riders have chosen to participate in WSH T&P so that they don't have to make a choice between doing what they love and spending time with their families. The members of the WSH T&P are what make it truly unique. They are people who value family, friends, horsemanship, and sportsmanship above all things.

Each year our riders pay a fee and submit their number of hours ridden. It is a friendly competition between horsemen. This riding information is used by different agencies to track trail use by horsemen. To the rider, it's just fun to see how many hours they can ride in a year. Makes those feed bills justifiable!

Our riders turn in hundreds of volunteer work hours, and WSH turns them in to the Department of Natural Resources, Forest Service, State Parks, and Private Timber Companies. We participate in meetings, hearings, and public planning sessions of public agencies. We work on proposed land-use regulations affecting horsemen and report any other news of interest to the pleasure horsemen through the WSH monthly newspaper.

With your donation, you and/or your business will have high visibility. You and your business will have an advertisement on our website (www.washingtonstatehorsemen.org) and also be announced at our events.
