Hall of Fame Horse Perpetual

We would like to congratulate George Chick’s gelding and longtime WSH Horse Show Division competitor Image In The Rain, aka Dudley, to be considered into the Washington State Horsemen HSD Hall of Fame.

In every horse organization there horses filling a variety of different roles within the competition history. Some find their role as a Games Horse, Trails & Pleasure Horse, and in the Horse Show Division. Their roles provide growth of the organization through their success as a competitor and then provide off spring that continue the legacy. Then there are those horses that contribute through their growth as well as the growth of their handler/rider. Dudley has been just that horse.

Dudley has been a consistent competitor in Washington State Horsemen for the last 13 years. Starting out as an eager yearling in halter to western pleasure, trail, ranch riding and now beginning to spend time with a 4 year old as his Showmanship and Leadline mount.

Dudley came to George in the fall of 2005 as a gift from his Mother In Law Jole Birdsell, Father In Law Albert Birdsell and wife Jole Sue. After several years of sharing horses it was time for a horse of his own. Dudley was the perfect match and when introduced it was love at first sight. Since that sunny October day they have been inseparable. 2006 to present has been a wonderful journey of companionship while actively competing in Appaloosa (ApHC), Washington State Horsemen (WSH), and Northeast Zone (NEZ) approved shows. Dudley's resume of accomplishments with George speaks to the dedication of a man and his horse.

WSH HSD Permanent Number Retired-

Make Time For Me or "Nanny" number 1313 is a 22 year old solid paint mare who showed in the youth all around events at Washington State Horsemen B system shows. In 2015 she and I won Washington State Horsemen year end awards for both the Mariann Bonwell Walk Trot Trail 10 & Under and the Walk Trot English/Western Pleasure 10 & Under. I showed her in almost every event there was to offer at one point or another. 2017 was the best year of her show career. At the 2017 Washington State Horsemen convention we won the all around equitation 17 & under perpetual trophy. In 2017 we started showing in ranch riding and won the year end award for Canal Zone. Nanny's main events were ranch riding and showmanship however she was also very good at the English events. Nanny is the sweetest mare I have ever met and even though she may be the smallest horse in the barn she has the biggest heart ever.

-Anna Rodriguez

SWF Maximus Number 512 showed competitively in WSH and NEZ from 2002-2013 when he suffered a career ending injury. During his career he earned his ROMS in Halter, English and Western. He also received his Superior Buckle and was just 101 points shy of his Supreme. While this gelding was never a contender for a Presidents cup he was a top 5 WSH YEA winner 2 consecutive years Maximus now spends his happy retirement and Ballentrae Farms
